Under citizen appearances there were none

Under the machinery report it was reported that the #2 truck had a hose done at Unviersal and also needed parts for the wing. A new cutting edge was ordered for the #4 white plow truck.

Under the road report it was discussed that there has been lots of snow plowing and sanding. The salt and sand mix is running low and the town is working on restocking it. Paul Halderson and Matt Andersen went and looked at Hill Lane; we plow approximately 1000 feet past where the town road ends. The feeling is that the safest place for the town to turn around is where we have been turning around.

The correspondence was next on the agenda. The WTA unit meeting is coming up. Paul met with Kornmann in zoning and discussed with him the properties that need to be fixed as far as the zoning. Trempealeau County will follow up and get the zoning corrected.

The town is looking at getting a different truck to replace the white ton truck. This will be put on the February agenda.

There were no building permits to report on.

Mike Oslie gave an update on the STCSWC meeting. Paul Anderson is the new manager. Steve Hogden gave an update at the meeting on the La Crosse County policy board meeting. Revenue share checks will be paid out in January to the municipalities. Hauler license applications have been mailed out. There was an update on the inventory and pricing of recyclables. Rock Oil has just picked up the waste oil.

Mike Oslie made a motion to approve the monthly financial report. Matt Andersen seconded the motion. Motion carried.

Sharon Spahr made a motion to approve #26789 through #26830. Kevin Duch seconded the motion. Motion carried.

The February meeting will be held on Monday, February 20th at 7:30 p.m.
